About First Congregational Church of Westfield

Our Context

First Congregational Church of Westfield is located in the heart of beautiful Westfield, NJ, a suburban community with proximity to New York City, shore towns, mountains, and farming communities. The town has an established reputation as a perfect place to raise a family and attracts people, both young and old, for its highly-rated schools, its many dining establishments, parks, and vibrant downtown area. Our church draws from Westfield, as well as the surrounding towns of Scotch Plains, Fanwood, Springfield, Mountainside, Garwood, and Cranford.

Our Mission

As a caring Christian community of faith, First Congregational Church of Westfield encourages spiritual growth and freedom of thought through worship, education, fellowship, and outreach. We support and serve those who are socially and economically marginalized by advancing the work of justice in our world. As an inclusive congregation, we welcome, celebrate, and affirm everyone.

Our Vision

Inspired by the teachings of Jesus, we will support creative ministry, education, and worship to connect people to God and each other in meaningful, dynamic ways. We will nurture all people as they discover their gifts, calling, and purpose in a changing world.
