Greetings from the Pension Boards!

As the provider of benefits to employees across the United Church of Christ, we're acutely aware that the nature of employment in the denomination is changing for many and we're working to adapt to meet the needs of those whose ministries aren't necessarily full-time. That includes those who are educators in our churches, who do that essential ministry in a variety of circumstances.

As one employed by the United Church of Christ in educational ministries, you are eligible to participate in Pension Boards benefits programs, even if working part time. These benefits include:

UCC Annuity Plan (if your employer offers it)

Tax-sheltered annuity (TSA)

Health Plan

Dental Plan

Vision Plan

Flexible Savings Account

Pet Insurance

Life and Disability Insurance

Free personal, professional financial counseling (with participation in any benefit)

We're eager to work with you to enhance your financial security, so if you'd like to learn more about the benefits above or have questions about how the Pension Boards can serve you given your work configuration, please contact me directly, and I will connect you with one of our Member Services staff.

With gratitude for your ministry among us,

The Rev. Dr. Jonathan B. Lee
Director, Church Relations and Operations
